General Membership Application

General Membership Requirements Check Sheet

In order to qualify for consideration of an IDEA membership, the following minimum requirements must be met:

For Applicant:

1. Indicate type of company: Distribution Testing Manufacturing Accounting
 Shipping Other
2. Signed Membership Waiver Agreement
3. Signed IDEA Share Program Disclosure and Confidentiality Agreement (NDA)
4. Signed Intellectual Property Rights (IPR) Policy and Agreement
5. Signed Code of Ethics
6. Signed Policy for Any Use of the IDEA Logo, including Internet domain name where logo will be used
7. Copy of ISO Certification by a registrar that is recognized by an accreditation body that is identified and accepted by IAF.
8. Copy of ANSI/ESD S20.20 Certification certificate by an ESDA certified registrar
9. Copy of company's Quality Management System (QMS) policy/procedure stating that its QMS incorporates the following:
 - a. IDEA-STD-1010 (most current revision) is incorporated into the inspection program.
 - b. A Moisture Sensitivity Level (MSL) Program, which has been established and is maintained, that incorporates a process to maintain product quality and an MSL knowledge/awareness and training program for personnel who handle product.
10. List of all owners of the company, including full names and direct contact phone numbers
11. All company Headquarters and ship-to-customer physical locations and phone numbers
12. List all DBAs, locations, and phone numbers
13. Proof of Product Liability Insurance coverage at required values
14. Objective evidence of being in continuous business over the past three years
15. Exact number of employees and contractors during the application process and update each year with the payment of annual membership dues. This information is treated with confidentiality for IDEA administrative use only and will not be shared during the application process or thereafter by IDEA. Upon annual IDEA membership renewal, Member Company must notify the IDEA Executive Director if employee/contractor headcount changes to the extent that it places the Member Company into a different membership size category.

16. Three trade references, one of which is an IDEA Member Company, and DUNS number. If these sources do not yield sufficient data for evaluation, other sources such as industry reports, e.g. Digi-Key, IC Source, etc. may be used at the discretion of the IDEA General Manager in order to acquire information indicative of a company's reputation within the industry.
17. List of all of its ship-to-customer locations and provide at least one completed IDEA-ICE-3000 Certified Inspector application complete with exam fees for *each* location. If company fails to obtain at least one Inspector Certification at each ship-to-customer location within forty-five (45) days, IDEA membership approval may be revoked, at which time all monies/fees (except the application fee) that were accepted by IDEA will be refunded within 30 days of notification to the applicant.
18. Organizational chart that includes lines of authority and responsibility of top-level owner(s), executive management, and the Quality Management Representative (QMR). This information is treated with confidentiality and is for IDEA administrative use only during the application process and thereafter for issue resolution and for knowing how to move up the chain of contact within a company.
19. Document confirming possession of all minimum equipment required. Please include equipment list, quantity, and photos of a least one (1) of each item required.
