

Why Join?

Independent Distributors of Electronics Association

The **Independent Distributors of Electronics Association** (IDEA) is a non-profit trade association representing high quality and ethically oriented independent distributors of electronic components. The purpose of IDEA is to promote the independent distribution industry through a media advocacy campaign; to improve the quality of products and services through a quality certification program, educational seminars, and conferences; and to promote the study, development, and implementation of techniques and methods designed to improve the business of independent distributors.

Reasons to Join IDEA

IDEA welcomes OEM and EMS Members as a vital part of the equation in helping to maintain a productive and safe business environment for the benefit of all component users in the marketplace. An IDEA Membership provides your company with the direct opportunity to actively contribute to the advancement of the open market industry by strengthening ethics, professionalism, and quality standards. The financial and informational contributions you make enable IDEA to advance its work in studies, education, and certification programs to abate the proliferation of substandard and counterfeit parts.
